

Now Hiring: Gastroenterologist

Available Position:

Chatham-Kent Health Alliance (CKHA) has an opportunity for a full time **Gastroenterologist** to join our community. The successful applicant will work in our Internal Medicine Department, which consists of 10 ICU beds and 12 PCU beds and in our Endoscopy suite. ERCP training is considered an asset.

A minimum of one full scope day per week is available to the successful applicant. With a recently renovated space to work in, and an efficient and friendly team to work with, completing a high number of procedures per day is possible.

For those who may be interested, CAD/TIA clinic time will be offered. Exercise and nuclear stress tests can be easily booked with our onsite ECG department. The internist on call reads all the ECGs within the 24 hour on call period. The option of reading PFTs and holters during that period also exists, with CKHA billing OHIP for these services on behalf of the internist.

About CKHA:

CKHA is a 200-bed hospital located in Southwestern Ontario that offers a full range of medical and diagnostic services including CT, MRI, and 24- hour laboratory, diagnostic imaging and respiratory therapy services. We also offer specialty services in Internal Medicine, Emergency Medicine, ENT, Orthopaedic and General Surgery, Anesthesia, Psychiatry and OB/GYN.

Our Community:

Situated between two beautiful, fresh water lakes, Chatham-Kent is home to welcoming communities where a variety of attractions and festivals dot the calendar year long. You can live the dream without breaking the bank; with housing prices a fraction of those in comparative locations. Currently, the average home is being sold for \$730,472 in Toronto, \$329,745 in London and only \$160,597 here in Chatham-Kent. Our large geography, great climate and abundance of natural amenities ensure that there are activities for people of all ages and interests.

Schedule and Compensation:

CKHA is excited to offer a unique opportunity to have a very busy practice, which will result in excellent compensation. Between on call days, ICU/PCU coverage, endoscopy procedures, busy CAD/TIA clinics every week, office referrals from CKHA's emergency department and partnering family physicians in the community, the successful candidate will not struggle for work!

ICU and PCU are covered during the day via a weekly schedule comprised of all internists/subspecialists. Typically, an internist will cover ICU and PCU for a total of 6-8 weeks per year.

Internal Medicine calls 4-5 per month. All call is eligible for HOCC payments made directly to the physician. Opportunity also exists to participate in the stroke internist calls, which are eligible for a separate billing from the stroke network.

Come join us to build, grow and advance your career in a workplace where you will be respected and supported.
