Health Alliance

Guidelines for Completion of the Consent to Disclose Personal Health Information

This form documents consent of an individual to disclose personal health information from the Chatham-Kent Health Alliance (CKHA) in compliance with the Personal Health Information Protection Act, November 2004 (PHIPA). It is to be **completed in full by the capable patient, or in the case of an incapable patient, their Substitute Decision Maker representative.**

1. **Description of the Personal Health Information to be Disclosed**
   - Be as specific about the type, location and dates of information as you can if you wish to limit the disclosure. **NB:** Disclosure of personal health information from the Mental Health Clinic may require pre-approval from the Psychiatrist.
2. **Recipient of Information and Description of Purpose**
   - Indicate the name of the person or agency including mailing address, who is to receive the information.
   - State why you wish to release your information to this recipient. Include in this section any conditions limiting the purpose.
3. **This authorization must contain the original signature of:**
   - The patient or the substitute decision maker *(see below for ranking), and
   - The witness to the patient/substitute decision maker(s) signature. The witness must be present for the signing of the authorization.
4. This authorization may be rescinded or amended in writing at any time except where action has been taken in reliance on the authorization. Authorization is valid until requirements of the request are met or 6 months, which ever comes first.
5. If the patient has died, you must obtain consent from the patient's estate trustee(s) or someone who is in charge of administering the patient's estate. Please provide a copy of the Will. **NB:** The entire Will is not required; only the section naming the Estate Trustee and the signatures and date.

***Ranking of substitute decision maker:**

1. guardian (if the guardian has the authority to make such decisions),
2. attorney for personal care or attorney for property (if the attorney has the authority to make such decisions),
3. representative (appointed by the Consent and Capacity Board under the Health Care Consent Act, 1996 if the representative has the authority to give the consent),
4. spouse or partner,
5. child or custodial parent, or children aid's society or other person legally entitled to give or withhold consent in place of a parent of a patient who is under the age of sixteen (16) and unmarried. This paragraph does not include a parent who has only a right of access. If a children's aid society or other person is lawfully entitled to give or withhold consent in place of a parent, this paragraph does not include the parent,
6. parent with access rights,
7. brother or sister, and
8. any other relative (related by blood, marriage or adoption).

Direct completed consents to:

Health Records Department - Release of Information
Chatham Kent-Health Alliance
